I. In 2018 and 2019 the Plaintiff had witnessed an concerning each religious services. When Ms. Wainwright, Mr. Watson, Chaplain Smith had received a number of complaints of the Plaintiff addressing his concerns about moving Islamic Services (Jummah and Taleem to a smaller fire hazard room, these detendants had failed to address his issue. The detendants instead moved Islamic services to small rooms for religious plays, Christian Plays, education programs, and other events, the rooms that muslims (inmates) were placed at can not occupy 60 or more muslims for Jummah services lead to a fire hazard issue and muslims not able to tultill their religious obligation.

2. On May 21st 2020 the Plaintiff was terminated from his Food Service Job based on retaliation from alerting Defendants Ms. Turner, Mr. Guiller, and Mr. Watson on the improper treatment of muslims during 2020 Ramadan month.

3. On May 20th 2020 Sargeant Wendy J Griffith found the Plaintiff guilty of an irrelevant conduct report that was supposed to be heard in a certain amount of time. The next play he was re-classed to another job and was terminated from his Food Service Job.

4. When the appropriate administrative staff of M.C.I. seen the flaws of the conduct report written on the Plaintiff, his

conduct report was withdrawn on May 27th 2020 was reinstated back to Food Service on May 28th Though the Plaintiff was reinstated back to Food Service, Defendants Ms. Wainwright, Ms. Planky and Mr. Guiller, made it difficult for the Plaintiff to actually start back to work. A. The Disrespect Of Jummah (Islamic) Services that violates
the 1st Amendment, 8th Amendment, 14th Amendment, And The Religious
Land Use And Institutionalized Persons Act And Religious Freedom
Restoration Act. On a number of Fridays, the Plaintiff had witnessed the Islamic Services (Jummah & Taleem) constantly moved to a smaller location because Defendants Ms., Wainwright, Mr. Smith, and Mr., Watson rather have Christianity Events, Educational Programs, and other irrelevant events on Friday. On April 13th 2019 Plaintanad exhausted my grievance remedies to Former M.C.I. Deputy Warden Of On Special Services Ms. Wampler concerning our constantly movement of Jummah and Taleem Services to smaller locations because of events and programs that were Christian based faith. The Plaintiff had received a response back from Ms. Wampler moving an important Islamic Service that celebrates "The Day Of Gathering "every tridays like every Church Service is on Sundays. She let the Plaintiff know that "their (Christian and Education Programs) must be placed in a room that fills at least 100 people like the Chapel

3. But both Jummah and Taleem Services were placed in a classeoom that housed at least the max of 36 people. On

Jummah Services at least of inmates attend the Services.

When the Plaintiff sent his grievance to Ms, Plank on

April 20th 2020, she agreed that the location

that Jummah was placed at is a Fire Hazard and an unsate environment for a large amount of inmates to attend. As for Taleem Services, M.C.I. Officers and superiors/Lt.s and Captains) won't let inmates attend Islamic Teachings because Christian Plays, had family members showing up to the events. Therefore the locations that Taleem was placed at was locked down and the Plaintiff and other inmates were forced to go back to their dorms. (1) 4. This happened under Ms. Wampler and is now happening under M.C.I. Chaplain Blair Smith and Mr. Watson as well as under the approval of Ms. Wainwright.

5. The deprivation of a proper Jummah Service and Taleem Service clearly demonstrates that the Plaintiff's religious exercise. Was Substantially burdened forcing him to follow his religious beliefs or let the following defendants disrespect his religion to a point that Islamic Services will not exist at. M.C.I at all. The Plaintiff was forced to choose between following the precepts of his religion and torteiting benefits or when the action inquestion placed substantial burden on tan adherent to modify his behavior and to violate his beliefs. After all, the Plaintiff is entitled under the 1st and 14th

Anendrents to a reasonable opportunity to exercise his religion. First through his grievance remedies concerning his rights to worship Islam in Jumpah at an appropriate location) shows the belief and practice he is protecting is religious within his own "scheme of things, "Second the Plaintiff Vitnessed other muslims could not spiritually testfell their religious obligation attending Jumpah in a crowded location. The Plaintiff faithfully ones to Jumpah every Friday proving that his belief is sincerely held. Third, the tellowing individuals shows a bona tide favorite of Christian events and programs over "The Day Of Gathering "that muslims celebrate every Fridaysylhich Jumpah & Igleem is moved in a fire Hazard room. Therefore the defendants behavior intringes upon this practice or belief.

In the Plaintiff also vitnessed that Mr. Smith continues to still show Christian favoritism over other religions during the 2019 and present by the tollowing:

A) Letting Chaplain Workers have access to sensitive Ohio Department Of Rehabilitation And Correction documents (example Chaplain's personal calendar where the innates can put church, plays, and events on Fridays.

3) Having access to King James Version Bible on GTL Tablets and E-Books and Jamy Player and no access to the Quran on any of these companies.

4) Non- Christians cannot participate in the Embark Re-Entry or any Faith Base program unless you're a Christian.

Since 6-26-26 during the pandemic, Chaplain had each religion to have a day to watch religious programs, shows, and lectures on their religious day. Islam, Catholics, Jews, and Wicrans have one day of the week while Christians have three days a work and even on one of the other religion's day.

The defendants Mr. Smith, Ms. Wainwright, and Mr. Watson are aware of what the chapel workers do to assist in deposes denying the Plaintiff (based on equal protection clause) within their State policies, codes, and rules under their jurisdiction his protection of the laws, codes, and policies. These detendants are obligated to treat religions in an even-handed manner but their religious viewpoints tavors Christianity. These defendants show better treatment of Christianity beliefs (having inmate chapel workers help them provide Christian Events of Fridays) and restricts muslions from fully participating in their Jummahs by placing them in a smaller room. This restricts the number of muslims to fulfill their religious obligations being placed in a fire hazard to room. This is not necessary to serve a compelling interest or even the least restrictive means of for thering that compelling governmental interest. These detendants know that it was not important to have Christian events of Islamic Fridays. This is not security-re, lated and prospector they have no burden of "demonstrating" that their restrictions of placing muslims in a smaller room for Junman for a Christian event) are valid. Therefore these defendants cannot simposed a burden on one kind of religious ractice on the ground that other practices are permitted. The Plaintiffs religious belief be held to be constitutionally protected. The Plaintiff does so through his 1st Amendment and 14th Amendment rights as well as the Religious Land Use And Institutionalized Persons Act & Religious Freedom Restoration Act. M.C.I. is an Christianity based institution and these defendants will do whatever it takes to keep this institution as an institution to strengthen Christian Belief to non-believers.

B) Rep. Unfair Treatment Of Muslims during the 2020 month of Ramadan violates the 1st, 8th, and 14th Amendments Of The U.S. Constitution, Failure To Act, and Deliberate Indifference In the month of the 2020 Ramadan (Islamic Month), the Plaintiff had witnessed the following disturbing issues concerning the uslims' neals and Sahoor (breakfast) bags: a) Raw boiled eggs being placed in the breakfast bags. b) (losed to expired bananas (soggy and brown-colored) being placed in the breaktast bags Expired milk being handed to muslims while they received their Ramadan Meal and Sahoor Bags. 1) State bread and peanut butter being placed in the break fast bogs e) Almost every Randdon Meal ve Muslims had Cooked Turkey Bologna or Ham as a main course B Small portions of side foods (Mac& Cheese, beans, etc.) which was receive while fasting and especially while tighting against COVID-19 Muslims received Ramadan Meals with tood (main course and side toods) smashed together in the Trays. Muslims supposed to received a date (truit) each day for thirty days to break their fast at sunset before they eat their meals. After nine days of receiving dates, the muslims had received the dates no more as well as drink packets. At the end of the day the Imagm (Islamic Spiritual Advisor.)

tor Ramadan and the day of the Islamic Feast. Also the detendants
Mathew Guiller, Ryan James, Melody Bianchi, Rando Watson, Michelle
writer, Blair Smith, and Kasey Plank were aware of these issues as
the Plaintiff had alerted these matter through his exhausted remedies:  (1) Kites To Mr. Guiller. 5-6-2020
L) Kiles 10 Mr. builler. U & son
Kite To Mr. Watson 5-9-2020
Kite To Ms. Turner 5-22-2020 and 525-2620
Ahte To Mr. Smith 6-5-2020
Intornal Complaint 6-5-2020
Grievance To Ms. Plank 4-29-2020 and 5/20/2020
•
Even after he exhausted his remedies, none of the detendants addresses
his issues and not even provided him with the approved Ramadan
Menu by Ohio Department Of Rehabilitation And Correction. What
these detendants did was mere negligent (carelessness) and actual malice
Change Range conditions where "chinetically and knew that the Ramadan meals and
Sahoor Bags conditions were objectively cruel and did nothing to fix the meals (this is the "subjective approach to recklessness. The detendants can
be held liable based on what they should have known or what was

and Free Exercise Of Religion since the Plaintiff's lack of nutrion rom his meals distract him from reading his Quran, pray regularly, and fulfill his religious obligation of achieving his fasting properly. This leads to him not being in risk of physical injury but also spiritually injured as well. This is the objective recklessness standard that the defendants at happened since they failed to respond reasonably to the known risk. From the Plaintiff's exhausted remedies. Through his remedies, the laintiff had shown the belief or practice asserted was religious in his win scheme of things and is sincerely held.

The Plaintiff had witnessed the Jewish Brothers had their Passover Menumby the Muslims Ramadan Menument did not appeared on the general population email that all inmates can see The detendants (including detendant Menument) had confer a privileged status on the Jewish faith and ingled out Islamic faith mistreated the religions violates the Establishment lause. Therefore a religious service of one sect is treated differently than a religious service of other sects "is "tatal" to a defendant's case because it "amounts to the state preferring some religious groups Christianity and Jewish) over "the plaintiff's religion in violation of the First Amendment.

The Plaintiff witnessed how other religious month were treated right but the 2020 Ramadan Month was treated untainly (see Ms. Plank's grievance) denying the plaintiff within its jurisdiction the equal protection of the state policies, codes, and lows. Therefore the Plaintiff had established more

Than differential treatment alone - a discriminator intent or purpose that is required. The Equal Protection Clause Of The Fourteenth.

Amendment embodies the principle that all persons similarly situated should be treated alike.

Furthermore the detendant who knew or reasonably should know, of a constitutional violation may be held liable if they failed to do anything about it. Through the Plaintiff's exhausted remedies, the detendants had he power to correct the violation and the duty to act. The detendant also can be held to liable for failure to act on prior complaints by the plaintiff and for tailure to make policy or to take action to prevent predictable violations of rights within their areas of responsibility. These detendants set in motion a series of events that they knew or should have known would cause a constitutional violation, even if others actually performed the violation.

(c) Plaintiff's Wrongful Ternination From His Work Assignment Violated His First, Eighth, And Fourteenth Amendment As Well As Failure To Act And Deliberate Indetterence.

1. Even after the Plaintiff had exhausted his remedies (see the B)

Section on pages 9810 ) he was retaliated by defendants

Mr. Guiller and Ms. Bianchi as they wrote a conduct report accusing

him of stealing tood and being out of place. The Plaintiff went to

chow with his dorm so that is not being out of place. Also the Plaintiff

had also received his Tray from a Aramark Coordinator so he cannot be

of stealing. The conduct report was written on 5-9-2020 nuslims were receiving concern their Ramadan Meals and Sahoor not let the Plaintiff 14th Amendments an reasonable opportunity to exercise his eligion. Theretore the Plainfiff was engaged in protected conduct Islamic Month). Then an adverse action was taken against him writing an conduct report) that would deter appearance or dinary firmness mengaging in that conduct and the adverse action was motivated, at st in part by the protected conduct. Filing a grievance is stitutionally protected under the 1st Amendment. Retaliation based from a prisoner's such as the Plaintiff) exercise of constitutional rights violates the constitution. Also private contractors working for Aramark and must Officers (of M.C.I.) write the conduct report since the officers Incretore this was retaliation against the Ms. Bianchi which they knew that they can only file evaluation reports and incident reports but instead what they did was sadistic, and malicious basically mere negligent being deliberate inditterent. Now on 5-20-20, the Plaintiff had heard his conduct report by etendant wendy J. Groffith that Mr. Guiller and Ms. Bianchi had en. The Plaintiff showed that he received the tray by the

quickly reclassed him from his Food Service Work Assignment. One thing that the Plaintiff had witnessed that Mr. Guiller supposed to write the conduct report and puteris signature on it. Instead Ms. Bianchi put her signature on it. The Plaintiff alerted this matter to detendant Mr. Watson and he did nothing about it. Therefore he and Ms. Griffith is held liable for failure to make noticy or to take action to prevent predictable violations of rights within their areas of responsibility.

3. As, Griffith also went pass the time table on hearing the Plaintiff's conduct report on time. She is held liable since she was informed of due proxess of hearing the Plaintiff's conduct report) violations in other ways and failed to act on them by withdrawing the conduct report. Ms. Griffith had failed to correct constitutional violations (such as cruel and usual punishment & due process) within her area of responsibility since she knew the time to hear the Plaintiff's conduct report on time and should have known that Mr. Guiller and Ms. Bignehi cannot write an conduct report.

4. What these defendants did can be ruled as a "checkmate doctrine" based on the Plaintiff:

(B) Mr. Guiller and Ms. Bianchi quickly wrote an irrelevant conduct report to try to shutdown the Plaintiff's religious beliefs and rights under his 1st Amendment Retaliation Claim.

(c) Ms. Griffith quickly found him guilty of the conduct report and terminated

im from his work assignment. These detendants worked together to try to prove that the Plaintition and committed "an actual violation of prison rules" and "the finding (is) based on some evidence of the violation (such as hearsay) the finding essentially checkmates the retaliation claim. based on their miscondut. Through his grievance process concerning the unfair treatment of muslims during Ramadan, retaliation by these detendants against the Plaintiff was active, and his 1st and 14th Amendment were violated. The Plaintiff's were sincerely held while the detendant's behavior intringes upon the practice or belief. These defendants knew the policies they violated and they had the power to correct the violation and duty to act. Mr. Guiller and Ms. Bianchi and Ms. Griffith set in motion a series of events "that they knew or reasonably should have known would cause a constitutional solution even it all of them together actually performed the violation. his were between mere negligence (carelessness) and actual malice intent to cause mental and spiritual harm. Defendants Mr. Guiller and Ms. Bianchi had also systematically ingeted other muslims violating their 1st and 14th Amendments.

(b) Inmate Davis #A555-567 ) was wrongfully terminated from his Food Service Work Assignment because he had to fulfill his religious obligation by performing his five salahs (prayers) a day.
and he complained about how pork was not allowed to be cooked in a grill that was used to cook sub meals.
(c) Just recently Inmate Herrington (#A562-202) was wrongfully terminated from his Food Service Work Assignment because how 2020 Bamadan was disrespected and how nasty the M.C.I. Food Service Area is under the Aramark care of Mr. Guiller and
his statt.
This shows how the 1st and 14th Amendment is not granted to muslims but being retaliated and terminated for standing for their religious beliefs are.
(b) Though the Plaintiff was granted his appeal and being reinstated back to his tood Service Work Assignment, refusation have him returned back to his work Assignment Immediately violated his 1st and 8th Amendments as well as tailure to Act and being beliberately Inditterent and violation of 13th Amendment.
1. On 5-21-20 the Plaintitt had sen

Suckeye Unite Manager Mr. J. Ferguson requesting to withdraw the conduct report Mr. Guiller and Ms. Bianch had written on the Plaintiff because:
the conduct report Mr. Guiller and Ms. Branch had
written on the Plaintiff because:
a) these detendants (Mr. Guiller & Ms. Bianchi) don T have The
authority to write one.
b) Defendant Ms. Griffith was way pass the time to hear the Plaintiff's conduct report.
1) The Plaintiff alected Mr. Guiller and Mr. Rianchi's supervisor
defendants Ms. Turner and Mr. Watson about how the Aramark
had retaliated against the Plaintiff for him tighting for
The Plaintiff alerted Mr. Guiller and Ms. Bianchi's supervisors detendants Ms. Turner and Mr. Watson about how the Aramark had retaliated against the Plaintiff for him fighting for his religious beliefs. Ms. Turner, Mr. Watson, and Mr. Smith had did nothing to assist him on the Ramadan mand retaliation matter.
matter.
On 5-26-20, the Plaintiff had sent the same matter to M.C.I. Deputy Warden Of Operations Matter about
the reason he needs to be reinstated back to his Food
Service Work Assignment. His name is D.W.O. Mr. Melton.
3. Mr. Ferguson withdrew the Plaintift's conduct report
on 5-27-20
1. Mr. Metton had reinstated the Plaintiff back to his Food
Service Assignment on 5-28-20

- 19
5. But defendants Ms. Wainwright, Mr. Guiller, Ms. Bianchi, Ms. Plank, and Ms. Turner had did whatever it took to keep the Plaintiff from fulfilli thes work assignment in food Service. For example:
Plank, and Ms. Jurner had did whatever it took to keep the
Plaintitt from tultilli thes work assignment in tood Service for example.
(A) Mr. Guiller - 64-20 had tried to have the Plaintiff reapply
(A) Mr. Guiller - 64-20 had tried to have the Plaintiff reapply  back to Food Service
Dack 16 180d Service
B) Ms. Bianchi - 6-5-20 had not put the Plaintiff on the roster
C) Ms. Plank - Had accused the Plaintff of being in the wrong cohorts (group of dorms). 6-4-20
b) Ms. Wainwright - 6-9-20 Had accused the Plaintiff of being in the worong cohorts.
(E) Ms. Turner - Did not verbally had the Plaintiff back on his Work Assignment
nos work /1>>/ghmen/
6. When the Plaintiff showed good cause that he was in the right cohorts (quadrants) to work in food Service, he was finally on the Food Service Roster on 6-11-20.
7. Once the Plaintiff was placed back in tood Service, he was placed in a job that was fit for at least ten workers to work at (which is the dishroom). The Plaintiff

Then had exhausted his grievance process (remedy) to Ms.

Torner concerning cruel and unusual punishment on
Ms. Turner response to the intormal complaint that the Plaintiff
had filed to her was, "if you have issues concerning your
work assignment, you can get reclassed out of Food Service
into another work assignment.)

1. What these defendants had did after the Plaintiff's conduct eport was withdrawn and when we was reinstated back to his look assignment had proven that, "the defendants set in motion a series i events" that they knew wood or reasonably should have known would cause a constitutional violation, even if others actually performed the violation.

Defendants Ms. Wainwright (who is M.C.I. Warden) and Ms. Plank who is M.C.I. Institutional Inspector) knew the policies, codes, and laws to have the Plaintiff be allowed back to Food Service mediately after he was reinstated back to his work assignment. Then they should of let Mr. Guiller and Ms. Bianchi That the Plaintiff's conduct port was withdrawn and he was able to be back on the Food Service oster immediately. Through his administrative remedies (kites).
